

ENRICHMENT PROGRAM
All Things Round with Skye Zaracostas
Year 3 & 4 Students: Tuesday 22 August
Year 5 & 6 Students: Wednesday 23 August
9am – 3pm
\$50 per student

The Gallery's [Enrichment Program](#) is offering art workshops for Stage 2 & 3 Students in Term 3!

Our program will begin with a guided tour of *ROUND*: an artist-led exhibition by mid-career artists whose practices include painting, sculpture, construction, installation, and video, incorporating diverse media, materials and colour. The artists' work examines 'roundness'—exploring interpretations of circularity, curvature, bending—through exploration of shape, space and colour. Round highlights the problems, questions and answers of individual art practice, whilst collectively reflecting broader themes and subjects of popular culture, current affairs and global politics.

The tour will be followed by a workshop led by local artist and educator Skye Zaracostas. In this workshop students will explore a variety of art mediums when investigating the shape of a circle. Tasks will include coloured paper collage, wire sculptures and tonal drawings.
